

S.S. Keno National Historic Site, Dawson City

# Yukon Sternwheelers EDUKIT

The S.S. *Klondike* and the S.S. *Keno* tell a unique Yukon story about a time when there were no roads and the only way to move large amounts of freight and equipment was by river. The story of these great vessels and the people who worked on them is a Yukon legend.

S.S. *Klondike* National Historic Site, Whitehorse

## Attention Grade 5 Teachers!

*Parks Canada has developed a kit to help your students learn about this fascinating aspect of Yukon history.*

- ◆ Four lesson plans, which can be used independently. Each lesson takes 45 minutes.
- ◆ A DVD of the film “In the Days of the Riverboats.”
- ◆ Over thirty historic photographs and newspaper articles to help you create a very special education space in your classroom.

### Curriculum Links

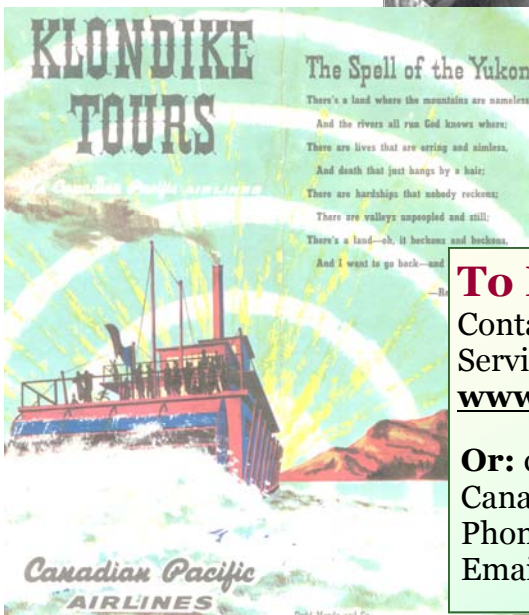

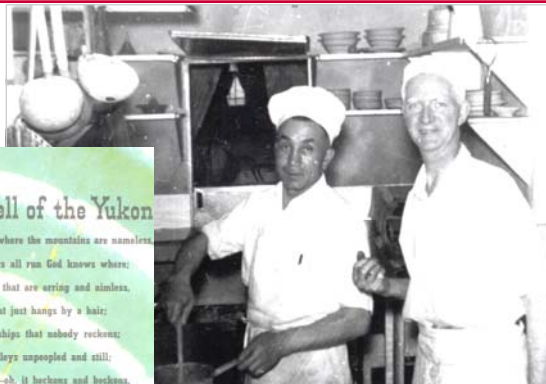

The Yukon Sternwheelers Edukit meets the following prescribed learning outcomes:

#### Social Studies Grade 5

- ◆ B1: describe the key events and factors in the development of BC [Yukon] and Canada
- ◆ D1: analyze the relationship between the economic development of communities and their available resources
- ◆ D2: analyze the development of transportation systems
- ◆ E2: describe the location of natural resources within BC [Yukon] and Canada, including forests and minerals
- ◆ E4: analyze environmental effects of settlement

The kit also covers some PLOs for Grade 3 Social Studies.

*La trousse est aussi disponible en français.*
